Structure : intro A B A B B x5

Paroles :

A Swim along the stream along the shore
Seek between my thies a hidden fall
Sink and swallow

B Wet boy
Do you know what it feels like to be
Wet

A Crawl against the wind inhale the salt
Drown and let it melt inside my throat
Deep and shallow

B Wet boy
Do you know what it feels like to be
Wet (bis)

B More water to the world
More water to the seas
More water to the ground
More water to the child
I carry

B More water to my womb
More water to my brow
More water to my eyes
More water to the man
I'll marry

B Wet boy
Do you know what it feels like to be
Wet (bis)
